The price doesn't container assistant tank(\$15) and electrical heater(\$8)

Commodity Regular Solar Water Heater

Material Inner tank: Imported stainless steel (SUS304/2B)

Outer tank: Galvanized steel alloy

Bracket: Galvanized steel alloy

Heat insulation layer: Imported polyurethane (Bayer, Germany)

Thickness Inner tank: 0.4mm

Outer tank:0.4mm

Bracket: 1.5mm

Heat insulation layer: 50mm

Working Temp. 99 Celsius degree

Working Press. 0.3MPa (3 bars)

Coloration as per

Accessories Optional assistant tank and electrical heater

Certificate ISO9001:2000, CE

Warranty 5 years for full system / 15 years for vacuum tube

MOQ negotiation

Lead time within 15 days for full container

Payment Telegraphic Transfer (T/T), Letter of Credit (L/C)
