

LED Multifunctional Dynamo Lamp
Energy Saving and Environmental Protection.

Part No. : LK-LUCK-V1.0

Main Technical Parameters:

Items	Parameters	
Illumination	Spot Lamp	1m from central axis $\geq 150\text{lux}$
	Night Light	10cm from lamp side $\geq 35\text{lux}$
Light Duration	Spot Lamp	≥ 6 hours of continuous illumination after being fully charged
	Night Light	≥ 30 minutes continuous illumination from 1 minute of winding (120 circles) (When the battery has been fully discharged.)
	Warning Light (Red)	The warning light can flash 60 hours after the unit has been fully charged. The warning light can flash 2 hours from 1 minute winding (120 circles) (When the battery has been fully discharged.)
output charge	USB A4P PORT DC5.7 \pm 0.2V 500mA	
Input Charge	MINI USB A-5P port, DC5.0 \pm 0.25V	
LED lifespan	≥ 50000 hours	
Power Storage Capacity:	DC3.7 $\geq 500\text{mAh}$	
Battery Lifespan	Charge and Discharge ≥ 1500 times	
Operating Temperature	- 20 ° ~ 60 °	
Operating Humidity	25% ~ 95%	
Dimensions	Approximately 86*56*163mm	
Weight	Approximately 310g	

PACKING DETAILS

pcs/CTN	36pcs	Gross Weight	14.8kg
dimension of CTN	54/32/35.5cm	leading time
