DVB-T digital receiver box for receiving free digital TV directly in your car, with 4 RCA Video OUT and R/L Audio OUT for connecting your choice of such devices as a car DVD player or a car LCD screen. What better way to ride into the future than installing your own DVB-T tuner in your car and choosing from the hundreds of channels already provided, and the hundreds more on their way soon. With such cutting edge digital TV functions as EPG program guide, 9 channel preview, teletext, and a customizable OSD menu, your car will become a complete digital media center. Pair this car audio video accessory with one of Chinavasion's many quality Car DVD players or car LCD screens for your own complete system today, and don't forget the no MOQ ordering policy and 1 year warranty.

**Note:** DVB-T reception is not available in every country. Please make sure to see if DVB-T is available in your region before you purchase.
