Exciting and new portable DVB-T receiver with remote control. Enjoy digital television in the palm of your hand or view and record your favourite digital programs with the supplied AV cable and an external recording device. This product is small and compact for easy importing and storage and has a simple button interface for easy use. It offers you a choice of two antennas for crisp and clear picture quality. A great whole sale import item made even better with Chinavasion no MOQ policy and blind shipping right to your door.

Note: DVB-T reception is not available in every country. Please make sure to see if DVB-T is available in your region before you purchase.
