

Building Intercom System

1. Main Unit: SM601C-----Music Player-

(1) Picture

(2) Functions

- 5 in. TFT display
- Menu operation
- Hands-free talking
- 12 chord alarm signals
- Set extension unit number
- Screen saver
- Knob controlling
- 16 extension units
- Inner talking and listening
- Door releasing, monitoring
- 8 alarm stations
- Ext. musical sources input

(3) Specifications

- Power source: DC15V
- Operating temperature: 0°C --- 70°C
- Power consumption: Standby 240mA
Working 700 mA
- Display: 5" TFT for colour vision
- Resolution: 960(W)×234(H)
- Dual transmission
- Size: 388 x 134 x 85 mm

2. Extension Unit: SM601T

(1) Picture

(2) Functions

- **Hands-free talking**
- **Talk to the other extension units and the main unit**
- **Clock alarm**
- **8x8 LED display indicates the operations**
- **Talk to the outdoor station and release the lock**
- **Call the main unit for help**
- **No listening**
- **Adjust the speaker volume**
- **Set the extension unit number**

(3) Specifications

- **Power source: 15V**
- **Operation temperature: 0~70°C**
- **Power consumption: Standby 30mA**
Working 300mA
- **Dual transmission**
- **Size: 194 x 128 x 62 mm**

3. Outdoor Station: SAC901C-A

(1) Picture

(2) Functions

- Knob switch controlling
- Words & digits display
- Simple Cabling
- Access control
- Large LCD display
- Digital transmission
- Calling indoor monitor
- Colour CCD

(3) Specifications

- Power source: 12V - 18V
- Operation temperature: 0~70°C
- Power consumption: Standby 70mA
Working 300mA
- Camera: 1/3" CCD(3.6mm/F2.0 72° adjustable)
- Dual transmission
- Size: 370 x 145 x 55 mm
